

Preliminary Product Information

SCS 140 5.1 Simply Cinema Speaker System

The 5.1 SCS 140 features four elegant compact satellite speakers and a matching center. All speakers are video-shielded allowing positioning close to a TV monitor. These are combined with an active subwoofer featuring a powerful 100 W amplifier. Simply combine with an AV receiver and DVD player to enjoy the latest Hollywood movie in stunning 5.1 surround sound. The long-throw 8" drive unit in the subwoofer will give you the bass impact you need to make the most of your movie sound.
